	Clients	Shared responsibility for the general satisfaction of those who use the service and the safeguarding of public amenity. Assist with the application of development management policies, procedures and services.		
Duties and key result areas: 1. Plan, manage and prioritise work of the Planning Officers, Planning Assistants and Student Planners in a manner that reflects the needs of its many and varied stakeholders and ensures service delivery and the achievement of set quality and performance standards. 2. Provide advice and support to the Planning Officers, Planning Assistants and Student Planners in the team in delivering service objectives 3. Help to motivate, support and develop staff, assisting in identifying staff development needs and act as coach and mentor within agreed policies and procedures and through conducting appraisals, to maintain an effective workforce capable of meeting its objectives, and assist with staff recruitment. 4. Support the Area / Central Development Managers and Principal Planning Officers with the evaluation and interpretation of new legislation, case law, regulations and policies affecting the service. 5. Assist the Area/Central Development Managers and Principal Planning Officers to develop policy, procedures, delivery strategies (including service plan), promotional techniques and effective communication to bring the service's business plans and objectives into effect and secure continuous improvement. 6. Ensure that the team deals with planning and other related applications in a manner that is consistent throughout Northumberland and complies with legislation, established procedures and policies. 7. Assist professional staff with their caseload, including the provision of advice, supervision and mentoring, to develop their experience and confidence to assist in the delivery of service objectives. Assist technical support staff by providing advice, support and training to assist in the delivery of service objectives 8. Maintain appropriate work records, write case notes and reports and answer correspondence relating to the work within the area to the required service standards, observing data protection and confidentiality rules and procedures. 9. Work collaboratively with internal colleagues and external contacts on development management matters in order to promote effective partnership				

- arrangements for the delivery of a quality service.
10. Capture, record and apply service and caseload data, using ICT systems, in accordance with service procedures, to assist in the production of timely and accurate information about the DM service.
 11. Active involvement, in accordance with service standards, in undertaking research, investigations, assignments and assessments in connection with complaints relating to the caseload.
 12. Assist in monitoring relevant budget headings to ensure effective spend against established targets and in particular to ensure the correct application of planning fees in respect of incoming submissions for pre-application advice, planning applications and discharge of conditions in the allotted area.
 13. Deputise for the Area/Central Development Manager and Principal Planning Officer in the day to day running of the section in their absence and during these periods supervise all professional and administrative staff involved in the area Development Management function.
 14. Monitor team performance against national and local PI's taking appropriate corrective action if performance is failing to meet requirements.
 15. Take responsibility for own caseload of complex applications, including taking part in consultations and negotiations with applicants and/or their agents and with other bodies, pre-application enquiries, and/or other enquiries as appropriate and preparing reports, including recommendations, for the consideration of the Area/Central Planning Committees.
 16. Determine planning and related applications under the scheme of delegation, manage and co-ordinate the preparation of Area/Central Committee reports in conjunction with the Area/Central Team Manager, present applications to the Area /Central Planning Committees and attend Committees, Working Groups and Committee Site Investigation Panels to advise elected Members on DM issues as required.
 17. Prepare Proofs of Evidence and written statements in connection with appeals and attend and represent the Council at Public Inquiries, hearings, in Court and in such other meetings as required.
 18. Provide professional pre-application and other advice and respond to correspondence and queries from Elected Members, members of the public, developers, agents, community groups and statutory and other consultees on planning matters relating to the DM service.
 19. Ensure effective joint working with other departments of the Council, Planning Authorities, Highway Authorities, Town and Parish Councils, statutory consultees and other internal and external bodies and attend meetings, to maximise the influence of the service in delivering corporate priorities.
 20. Conduct risk assessments and ensure that staff understand and follow healthy and safe working practices.
 21. Manage and co-ordinate enforcement and monitoring activity, including the undertaking of duties and services of notices in connection with the Council's powers of enforcement as local planning authority and the instruction, making and confirmation (where no objections) of Tree Preservation Orders.

The duties and responsibilities highlighted in this Job Description are indicative and may vary over time. Post holders are expected to undertake other duties and responsibilities relevant to the nature, level and extent of the post and the grade has been established on this basis.

Work Arrangements

Transport requirements:	The work involves the need to visit other area and County offices, development sites throughout the area on a regular basis and occasionally further a-field
Working patterns:	Flexi hours. Some evening working will be required in terms of committee attendance and public meetings
Working conditions:	The work is office based but involves working out on site on a regular basis and which could be in a lone working situation
