Housing Officer (Estates)

Reference: 3536

Date: March 2026

Job Family:	Community Services / Tenant Management & Support
Level:	2
Band:	6
Career Track:	Technical, Professional and Supervisory

Job Purpose

The postholder is responsible for delivering and developing a high-quality, responsive housing management service that focuses on positive customer outcomes, satisfaction and the needs of the local community. They will manage a designated neighbourhood area and Gypsy, Roma and Traveller (GRT) sites on a day-to-day basis, maintaining a strong on-site presence to ensure excellent service delivery, effective estate management and customer engagement. The role ensures the consistent provision of a customer-focused, compliant and outcome-driven housing service that supports both Council and company objectives while contributing to safe, well-managed and sustainable communities.

Service Purpose

Overall, the Housing Service Delivers the Council's place shaping role in promoting an appropriate, good quality housing offer across the County. This involves managing and maintaining the dedicated housing stock of circa 8,000 properties for Council tenants and leaseholders as well as securing the provision of decent homes for all residents and to create healthy sustainable communities across the County. In doing all this, we also support those with a range of specific needs including the elderly, young and homeless people.

Duties and Responsibilities

Service Delivery & Operational Tasks

- Deliver day-to-day housing management across neighbourhoods and GRT sites, maintaining a regular on-site presence
- Conduct planned tenancy and licence-holder visits to support tenancy/living-arrangement sustainability; provide clear, sensitive advice to tenants on tenancy matters and support needs; and respond to tenancy-related enquiries and complaints, ensuring issues are resolved promptly at first point of contact.

- Carry out neighbourhood, estate and block inspections, addressing issues promptly to maintain safe and attractive environments
- Manage allocations, including property matching, viewings, and timely tenancy/garage sign-ups to maximise rental income and reduce rent loss.
- Participate in safeguarding processes as required, including raising concerns and attending case meetings in line with safeguarding procedures.

Stakeholder Engagement & Communication

- Attend and support resident engagement activities, including meetings outside normal working hours, encouraging customer involvement in shaping services.
- Work collaboratively with internal teams and external partners such as Police, Councillors, safeguarding services and community organisations, representing the service at relevant meetings.

Compliance, Governance & Risk

- Ensure compliance with tenancy conditions and estate management policies, taking appropriate action on breaches and low-level anti-social behaviour.
- Undertake technical inspections, identifying repairs, property issues and health and safety concerns, ensuring actions are taken in line with policy.

Resource Management & record keeping

- Monitor performance of local service providers (e.g., highways, lighting, maintenance) and escalate failures to ensure timely resolution.
- Use housing management systems to maintain accurate records of customer interactions, inspections, tenancy activity and property issues to support effective performance monitoring.

Strategic Input & Service Improvement

- Promote high standards of customer service and contribute to continuous improvement by identifying issues and suggesting service enhancements.

Equality, Diversity & Inclusion

- Deliver services in a fair, inclusive and respectful manner, ensuring all customers are treated equitably and sensitively.
